

**SCIENTIFIC PROGRAM**

**SCIENTEX CONFERENCES**  
Where Holistic Knowledge Blooms

# 4<sup>th</sup> International Conference on Heart and Cardiovascular Diseases

**Theme: Novel Progression Towards the Heart and Cardiovascular Research**

**Date**

**May 04-05, 2026**

**Venue**

**Kuala Lumpur, Malaysia**

**SCAN ME**

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.
