Past Event Report

About Past Event:

Scientex Conference successfully hosted its first series on the “World Congress on Heart and Cardiovascular Disease” at City Seasons Dubai Hotel, 2 27th St - Port Saeed - Dubai - United Arab Emirates during May 18-19, 2023 and “International Webinar on Heart and Cardiovascular Diseases” during May 25-26, 2023 in GMT +4 timing. The conference was organized with a theme of “Novel Progression Towards the Heart and Cardiovascular Research” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Heart Congress 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

With the great success rate of Heart Congress 2023 and with the guidance and suggestions from our Honorable Speakers we are stepping into our 2nd series of the conference entitled “2nd World Congress on Heart and Cardiovascular Diseases” scheduled on May 09-10, 2024 in Bangkok, Thailand.
